

NOTICE OF PUBLIC COMMENT PERIOD AND HEARING

Draft Corrective Measures Proposal for the Former Battery Plant located in Fullerton at 1550 East Kimberly Avenue

45-Day PUBLIC COMMENT PERIOD January 26, 2007 through March 12, 2007

The California Department of Toxic Substances Control (DTSC) invites the public to review and comment on a draft Corrective Measures Proposal (CMP) for the former Johnson Controls Battery Group (JCI) site located at 1550 East Kimberly Avenue in Fullerton. This 15-acre site is located on the south side of Kimberly Avenue between Raymond and Acacia Avenues in an industrial use area. The site was used for the fabrication of lead acid batteries for commercial resale since the 1960s. The property was sold in September 2005 and will likely be redeveloped for commercial/industrial use. The proposed cleanup plan for this site has been outlined in the site's draft CMP and consists of the removal of impacted shallow soil within limited areas, soil vapor extraction, and a covenant ensuring the land will only be used for commercial/industrial activities in the future. The public will have 45 days to provide comments to the DTSC.

In compliance with the California Environmental Quality Act (CEQA) we are required to evaluate all proposed projects to determine if they could have significant adverse impacts. An Initial Study was completed and it determined that the proposed project does not have a significant adverse impact.

TELL US WHAT YOU THINK: The draft CMP and other related site documents are available for your review at the Fullerton Public Library, 353 Commonwealth Avenue, Fullerton, CA 92832, telephone number (714) 738-6333 or the Department of Toxic Substances Control, 5796 Corporate Avenue, Cypress, California 90630, telephone number (714) 484-5337. Your comments may be submitted via email to Mr. Nebu John, DTSC Project Manager at njohn@dtsc.ca.gov or mail them to the DTSC address above. All written comments must be postmarked or emailed no later than March 12, 2007.

WHO TO CONTACT: If you have any questions, please contact Nebu John, DTSC Project Manager, at (714) 484-5475 or Cynthia Miller, DTSC Public Participation Specialist at (714) 484-5474 or (866) 495-5651 (toll free).

Si desea información en español, comuníquese con Leticia Hernández al (714) 484-5488 o numero gratis (866) 495-5651.

Notice to Hearing Impaired: TDD users can obtain information about this site by using the California State Relay Service at 888-877-5378 to reach Cynthia Miller at (714) 484-5474.
